## Weekly Bulletin

The deadline for our **Family Art Exhibition** has been extended to Friday 7<sup>th</sup> May. We would like you to work as a family to create an artistic masterpiece with the theme **'Summer'**.

You can create this however you like, using whatever you like, be creative! Please make sure it is A3 size or the bigger the better!

Please bring your entries to school for the exhibition.

The winner will receive a special prize!

Now that the sun is coming out, please make sure your child has put sun cream on before coming to school.

Children are allowed to wear a hat or a cap, and they can also bring in a bottle of water. Please make sure any water bottles and hats are clearly labelled.

### World Earth Day:

'Earth Day was a huge success at Darnhall. All classes took part in a

whole range of fun and informative activities. I won't spoil the surprise and tell you now because they are going to be part of an amazing digital display created by Winsford Town Council. Let's just say I think there will be a few children campaigning for less plastic pollution!  
Mrs Edwards, Year 3 Otters

Please make sure you are regularly accessing Parent Pay to keep up to date with communication from school. Please also make sure all phone numbers and emails are up to date, as we are now paperless.

We are currently planning our end of year celebrations for the Year 6 class.

From September 2021, we will be making some changes to our current school PE kit.

These changes will include:

- \* Changing from a white P.E T-shirt to a pale blue T-shirt with the Darnhall logo.
- \* Offering the option of a navy skort (shorts which look like a skirt), as well as navy shorts, navy leggings or navy jogging bottoms with the Darnhall logo.

We will be giving every child, who will be in years 1 - 6 from September 2021, a **free** PE kit which will consist of 1 pale blue T-shirt with the Darnhall logo, and 1 item to accompany this (skort, shorts, leggings or jogging bottoms with the Darnhall logo).

Our very special **outdoor learning hoody!**

Every child from Reception to Year 6, and all staff, will be given one free in September thanks to lots of grant applications and funding bids.

We will let you know when you can collect ready for September.

This week, Morrison's launched '**Seeds of Hope**'. As part of this, they will be giving away 2.5 million packets of sunflower seeds to their customers and local communities throughout the week to help plant in hope for a brighter future.

Thank you to Carla (Morrison's Community Champion) who delivered packs of sunflower seeds for all children at our school today. Next week, these will be given to the children to take home to plant.
