Weekly Bulletin 8 - 18th June 2021

BEARS

This week Bears have been busy writing about characters in an African story. We are building upon our writing skills to be able to write our own story from Africa next week! We have also painted sunsets using watercolour paints creating our own African silhouettes in art.

LADYBIRDS

Our little Ladybirds have been enjoying the new outdoor resources. The children love investigating and playing in the big construction area and like to transport the bricks and rocks from area to area using the wheelbarrow. The children are engaging in imaginative play and are learning all about playing socially together and the importance of teamwork to get the job done!

BUMBLEBEES

This week during Bumblebee's science lesson they designed and built a suitable habitat for mini beasts. The class researched, designed and built their own 'micro-habitat'.

The children really loved building the habitat and explaining why they choose certain materials and resources for their micro-habitat. Well done Bumblebees!

OTTERS

Year Three took part in a litter pick on the school grounds as part of the Daily Mail 'Keep Britain Tidy Campaign'. As a school we have committed to each class contributing one hour each to our 'Keep our community clean' campaign which will be taking place near the end of half term. The Daily Mail paper came and interviewed several pupils about the event and published our efforts in the newspaper.

On Wednesday Year Three took part in the Road Safety Awareness campaign run by Brake Charity. A group of children walked around the estate with banners raising awareness and learning how to stay safe in their community. Signal One Radio came and interviewed all the children, who were on the radio news every hour throughout the day.

BBC News also came and filmed and interviewed the children on the march. They asked them lots of different questions about staying safe on the road and they were included in both the lunch time and evening news broadcasts.

A massive 'Well Done' to all the children who took part. The BBC broadcasting team said they were the best team of children they had worked with and I agree.

UNIFORMS

Don't forget our uniform is available via the link on our website, or from our friends Julie Claire Logo Wear on the market.

OUTGROWN UNIFORMS

We would really appreciate it if any uniform, that your child has now outgrown, could be handed in to the school office.

CYSTIC FIBROSIS FUNDRAISING

Thank you so much for all your kind donations. The children all looked fabulous in their yellow, and the ice pops went down a treat!

SUN SAFETY

Please make sure on sunny days the children wear sun cream and bring a hat/cap with them to school.

FIRST AID

Children in Years 4, 5, and 6 will be doing First Aid courses between 1-3pm on their selected day:

21st Badgers

22nd Squirrels

24th Bears

28th Foxes

WATER BOTTLES

Please make sure that water bottles only contain water. Do not send your child into school with juice in their bottle.

ATTENDANCE

Well Done to Spiders who this week have had 100% attendance.

Super work Spiders!

EXPRESS YOURSELF DAY

Don't forget next Friday (25th) is Express Yourself Day. The children can come to school wearing anything they feel shows how wonderful they are.

THE GREAT DARNHALL BAKE OFF

Don't forget about our wellbeing workers Great Darnhall Bake off!

The category themes are summer; animals or what makes you happy.

All entries to be sent to 07710316490 by 9th July.

LABELS

Please make sure everything that comes into school is clearly named.

DOGS TRUST VIRTUAL WORKSHOPS

22nd Hedgehogs and Otters #

23rd Bears and Squirrels

24th Rabbits and Foxes

25th Badgers
