As part as our Design and Technology topic on Food and Nutrition, Year 2 will be designing, making and cooking their own herby bread. The children will be working in small groups to make and cook bread which they will bring home to taste.

Before they make their bread, the children will enjoy tasting different types of bread and looking at a variety of herbs.

The bread we will taste will be the following:

For bread making the following ingredients will be used:

Strong white flour
Yeast (packet)
Oil
Salt
Parsley
Rosemary
Mixed herbs
Chives

You will need to give consent on ParentPay by Tuesday 16th May for your child to take part.

Tasting will take place next week on Thursday 18th and Friday 19th May.

Bread making will take place the following week on Thursday 25th and Friday 26th May.
