### Next week is Week 2

You can find our menus on the school website under Parent and Carers— School Lunches.

During Children's Mental Health Week, on **Tuesday 6th February 2024**, all children are invited to take part in Darnhall's '**Bring your bike/scooter to school day**'. **CHILDREN WANTING TO TAKE PART MUST WEAR A HELMET**

During the day, each class will have the opportunity to ride their bike/scooter on the school grounds with their friends. This will be under staff supervision.

Cycling has been demonstrated to boost children's mood by raising endorphin levels, which positively impact their mental health.

To celebrate Shrove Tuesday on **Tuesday 13th February**, we have a chef from Blakemere Village Restaurant coming to school all day to make pancakes!

Available for Nursery to Year 6. Pancakes will be available to purchase on ParentPay for 50p, you can only purchase one per child.

A special thanks to our friends at Blakemere

## Darnhall's Dazzling Debrief by Journalism Club:

This week the students at Journalism club have been looking in to World Book Day and E-safety week.

World book day is on the 7th of March and E-Safety week is the week commencing the 5th of February!

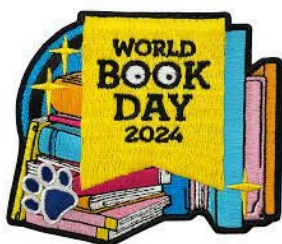

## World Book Day.

By IF and AC

World book day is all about celebrating your favourite books!

You can dress up like your most loved characters. Some times you can act like them too!

I like the book—The Big Blue Whale. The author is Nicola Davies and it is illustrated by Nick Maland it tells the reader about what a blue whale feels, sounds and smells like.

## Welcome to Darnhall's E-Safety Week news!

By PA, ZM and AR-S

E-Safety is taught throughout our PSHE and Computing curriculum to all pupils, explaining and demonstrating how to stay safe and behave appropriately online.

We can only be successful in keeping children safe online if we work with parents to ensure that the E-Safety message is consistent.

### Useful Websites:

A great website to use is National Online Safety. On this website you can find guides about how to keep safe while using popular websites, apps, games and consoles. There are specific pages for each app that make you aware of potential risks, top tips for parents, and safety tips.

Please support and encourage online safety by talking to your child about keeping safe online and by checking the settings on all devices, old and new.
