School Updates and New Class Structure

Dear Parents and Carers,

As the summer term and another school year ends, the children and staff are still working exceptionally hard learning together. It really is a joy to lead a school like ours – the sense of pride I feel is immense. Everyday our young people amaze us and they really are a joy to have. I am thankful for you all; parents, carers, families – you have championed our school and partly because of this, the school has doubled in size since I took over as Headteacher. We have welcomed so many new children over the last year and again this year, we have had appeals for school places and we have a waiting list in reception!
