

Weekly Bulletin 24th September 2021

**What a wonderful week we have had in school!
The weather has been fantastic and all children have
enjoyed playing outside in the sunshine.**

**The gates open at 8:25am every morning. Key Stage 2
children are encouraged to enter the playground by them-
selves and wait for the bell at 8.30am, when they line up
and enter school.**

After all the **egg-citment** of our dinosaur egg last week, this week the **Caterpillar** children have been exploring eggs using the nursery rhyme Humpty Dumpty. They have been making predictions as to whether or not real eggs would break when pushed off a wall on to various materials, had a go at cracking their own eggs in the baking tuff tray and have been putting Humpty Dumpty's back together by matching up some Humpty Dumpty numbers.

Otters have so much fun learning in their Forest School Classroom. They have been learning to take risks in a safe environment, hunted for mini beasts and learnt the difference between insects and spiders, built bug homes and worked together in teams. Last week we went on a bear hunt with Miss Pagonis and found so many different species hiding under the leaves and logs. We really look forward to the lessons and are very excited for next week when we will be starting our harvest festival creations.

Foxes have been learning about WW1 and how the war was started.

The children loved finding out about the assassination of Franz Ferdinand and have written newspaper articles about it.

In art Foxes have created WW1 images using a range of mediums, such as charcoal.

This week the class used water colours to capture poppies in their art work.
