

On Friday 22nd October

we are supporting two important charities:

Breast Cancer Awareness and MacMillan Cancer Support.

This is in loving memory of Mrs Sergeant who received care from MacMillan Cancer Support and in support of Mrs Kelsall who is currently undergoing treatment for Breast Cancer.

We invite everyone to wear something pink or fancy dress!

We ask for a donation to be sent in that will be split between the two charities.

We have a professional cake maker making cakes and every child can purchase one for £1 if they wish.

All allergies catered for.
