14<sup>th</sup> March 2019

Dear Parents and Carers,

### SCIENCE WORKSHOPS

As part of our Science curriculum we have arranged for Atomic Science to come into school to lead science workshops with the children from Year 1 to Year 6.

Many topics will be looked at across the different year groups including materials, geology, sound, earth space and stars and light.

It promises to be a very interesting, educating and fun experience for all the children and is a wonderful way of engaging them with science in the world around them.

To help towards the cost of this amazing experience we are asking for a parental contribution of £3 per child. Please can you pay your contribution via Parent Pay by Monday 25<sup>th</sup> March.

Kind regards

Emma Lightfoot  
Science Subject Lead
