

Sub-strand	Year 3		Year 4	
	Skills	Knowledge	Skills	Knowledge
Family	Learning that problems can occur in families and that there is help available if needed.	To know that I can talk to trusted adults or services such as Childline if I experience family problems.	Using respectful language to discuss different families.	To know that families are varied in the UK and across the world.
Friendships	Exploring ways to resolve friendship problems. Developing an understanding of the impact of bullying and what to do if bullying occurs.	To know that bullying can be physical or verbal. To know that bullying is repeated, not a one off event. To know that violence is never the right way to solve a friendship problem	Exploring physical and emotional boundaries in friendships.	To understand the different roles related to bullying including victim, bully and bystander. To understand that everyone has the right to decide what happens to their body.
Respectful relationships	Identifying who I can trust. Learning about the effects of non verbal communication. Exploring the negative impact of stereotyping.	To know that trust is being able to rely on someone and it is an important part of relationships. To know the signs of a good listener. To understand how to listen carefully and why listening is important. To understand that there are similarities and differences between people. To understand some stereotypes related to age.	Exploring how my actions and behaviour can affect other people.	To understand the courtesy and manners which are expected in different scenarios. To understand some stereotypes related to disability.
Change and loss	N/A	N/A	Discussing how to help someone who has experienced a bereavement.	To know that bereavement describes the feeling someone might have after someone dies or another big change in their lives.

Sub-strand	Year 5		Year 6	
	Skills	Knowledge	Skills	Knowledge
Family	Identifying ways families might make children feel unhappy or unsafe.	To know that marriage is a legal commitment and is a choice people can make. To know that if I have a problem, I can call ChildLine on 0800 1111.	N/A	N/A
Friendships	Exploring the impact that bullying might have. Exploring issues which might be encountered in friendships and how these might impact the friendship.	To know what attributes and skills make a good friend. To understand what might lead to someone bullying others. To know what action a bystander can take when they see bullying.	Identifying ways to resolve conflict through negotiation and compromise.	To know that a conflict is a disagreement or argument and can occur in friendships. To understand the concepts of negotiation and compromise.
Respectful relationships	Exploring and questioning the assumptions we make about people based on how they look. Exploring our positive attributes and being proud of these (self-respect).	To understand that positive attributes are the good qualities that someone has. To know that stereotypes can be unfair, negative and destructive. To know that discrimination is the unfair treatment of different groups of people, especially on the grounds of race, age, sex, or disability.	Discussing how and why respect is an important part of relationships. Identifying ways to challenge stereotypes.	To understand what respect is. To understand that everyone deserves respect but respect can be lost. To understand that stereotypes can lead to bullying and discrimination.
Change and loss	N/A	N/A	Exploring the process of grief and understanding that it is different for different people.	To understand that loss and change can cause a range of emotions. To know that grief is the process people go through when someone close to them dies.

Sub-strand	Year 3		Year 4	
	Skills	Knowledge	Skills	Knowledge
Health and prevention	Discussing why it is important to look after my teeth.	To understand ways to prevent tooth decay.	Developing independence in looking after my teeth.	To know key facts about dental health.
Physical health and wellbeing	<p>Learning stretches which can be used for relaxation.</p> <p>Developing the ability to plan for a healthy lifestyle with physical activity, a balanced diet and rest.</p>	<p>To understand the positive impact relaxation can have on the body.</p> <p>To know the different food groups and how much of each of them we should have to have a balanced diet.</p>	<p>Identifying what makes me feel calm and relaxed.</p> <p>Learning visualisation as a tool to aid relaxation.</p>	To know that visualisation means creating an image in our heads.
Mental wellbeing	<p>Exploring my own identity through the groups I belong to.</p> <p>Identifying my strengths and exploring how I use them to help others.</p> <p>Being able to breakdown a problem into smaller parts to overcome it.</p>	<p>To understand the importance of belonging.</p> <p>To understand what being lonely means and that it is not the same as being alone.</p> <p>To understand what a problem or barrier is and that these can be overcome.</p>	<p>Exploring how my skills can be used to undertake certain jobs.</p> <p>Explore ways we can make ourselves feel happy or happier.</p> <p>Developing the ability to appreciate the emotions of others in different situations.</p> <p>Learning to take responsibility for my emotions by knowing that I can control some things but not others.</p> <p>Developing a growth mindset.</p>	<p>To know that different job roles need different skills and so some roles may suit me more than others.</p> <p>To know that it is normal to experience a range of emotions.</p> <p>To know that mental health refers to our emotional wellbeing, rather than physical.</p> <p>To understand that mistakes can help us to learn.</p> <p>To know who can help if we are worried about our own or other people's mental health.</p>

Sub-strand	Year 5		Year 6	
	Skills	Knowledge	Skills	Knowledge
Health and prevention	Developing independence for protecting myself in the sun.	To understand the risks of sun exposure.	Considering ways to prevent illness. Identifying some actions to take if I am worried about my health or my friends' health.	To understand that vaccinations can give us protection against disease. To know that changes in the body could be possible signs of illness.
Physical health and wellbeing	Understanding the relationship between stress and relaxation. Considering calories and food groups to plan healthy meals. Developing greater responsibility for ensuring good quality sleep.	To know that relaxation stretches can help us to relax and de-stress. To know that calories are the unit that we use to measure the amount of energy certain foods give us. To know that what we do before bed can affect our sleep quality.	Identifying a range of relaxation strategies and situations in which they would be useful. Exploring ways to maintain good habits. Setting achievable goals for a healthy lifestyle.	To understand that a number of factors contribute to my physical health (diet, exercise, rest/relaxation, dental health). To know that a habit is a behaviour that we often do without thinking and that we can have good and bad habits.
Mental wellbeing	Taking responsibility for my own feelings.	To understand what can cause stress. To understand that failure is an important part of success.	Exploring my personal qualities and how to build on them. Developing strategies for being resilient in challenging situations.	To understand that a number of factors contribute to my mental health (Diet, exercise, rest/relaxation). To know the effects technology can have on mental health.

Sub-strand	Year 3		Year 4	
	Skills	Knowledge	Skills	Knowledge
Being safe (including online)	<p>Exploring ways to respond to cyberbullying or unkind behaviour online.</p> <p>Developing skills as a responsible digital citizen.</p> <p>Identifying things people might do near roads which are unsafe.</p> <p>Beginning to recognise unsafe digital content.</p>	<p>To understand that cyberbullying is bullying which takes place online.</p> <p>To know the signs that an email might be fake.</p> <p>To know the rules for being safe near roads.</p>	<p>Discussing how to seek help if I need to.</p> <p>Exploring what to do if an adult makes me feel uncomfortable.</p> <p>Learning about the benefits and risks of sharing information online.</p>	<p>To understand that there are risks to sharing things online.</p> <p>To know the difference between private and public.</p>
Drugs, alcohol and tobacco	<p>Exploring that people and things can influence me and that I need to make the right decision for me.</p> <p>Exploring choices and decisions that I can make.</p>	<p>To understand that other people can influence our choices.</p>	<p>Discussing the benefits of being a non-smoker.</p>	<p>To understand the risks associated with smoking tobacco.</p>
The changing adolescent body	N/A	N/A	<p>Discussing some physical and emotional changes during puberty.</p>	<p>To understand the physical changes to both male and female bodies as people grow from children to adults.</p>
Basic first aid	<p>Learning what to do in a medical emergency, including calling the emergency services.</p>	<p>To know that bites or stings can sometimes cause an allergic reaction.</p> <p>To know that it is important to maintain the safety of myself and others, before giving first aid.</p>	<p>Learning how to help someone who is having an asthma attack.</p>	<p>To know that asthma is a condition which causes the airways to narrow.</p>

Sub-strand	Year 5		Year 6	
	Skills	Knowledge	Skills	Knowledge
Being safe (including online)	Developing an understanding of how to ensure relationships online are safe.	To know the steps to take before sending a message online (using the THINK mnemonic). To know some of the possible risks online.	Developing an understanding about the reliability of online information. Exploring online relationships including dealing with problems. The changing adolescent body	Learning about the emotional changes during puberty. Identifying reliable sources of help with puberty.	To understand the process of the menstrual cycle. To know the names of the external sexual parts of the body and the internal reproductive organs. To know that puberty happens at different ages for different people.	Discussing problems which might be encountered during puberty and using knowledge to help.	To understand how a baby is conceived and develops.
Basic first aid	Learning about how to help someone who is bleeding.	To know how to assess a casualty's condition.	Learning how to help someone who is choking. Placing an unresponsive patient into the recovery position.	To know how to conduct a primary survey (using DRSABC).

Year 3		Year 4	
Skills	Knowledge	Skills	Knowledge
<p>Exploring how children's rights help them and other children.</p> <p>Considering the responsibilities that adults and children have to maintain children's rights.</p> <p>Discussing ways we can make a difference to recycling rates at home/school.</p> <p>Identifying local community groups and discussing how these support the community.</p>	<p>To understand the UN Convention on the Rights of the Child.</p> <p>To understand how recycling can have a positive impact on the environment.</p> <p>To know that the local council is responsible for looking after the local area.</p> <p>To know that elections are held where adults can vote for local councillors.</p> <p>To understand some of the consequences of breaking rules.</p> <p>To understand the role of charities in the community.</p>	<p>Discussing how we can help to protect human rights.</p> <p>Identifying ways items can be reused.</p> <p>Explaining why reusing items is of benefit to the environment.</p> <p>Identifying the benefits different groups bring to the local community.</p> <p>Discussing the positives diversity brings to a community.</p>	<p>To know that human rights are specific rights that apply to all people.</p> <p>To know some of the people who protect our human rights such as police, judges and politicians.</p> <p>To know that reusing items is of benefit to the environment.</p> <p>To understand that councillors have to balance looking after local residents and the needs of the council.</p> <p>To know that there are a number of groups which make up the local community.</p>
Year 5		Year 6	
Skills	Knowledge	Skills	Knowledge
<p>Explaining why reducing the use of materials is positive for the environment.</p> <p>Discussing how rights and responsibilities link.</p> <p>Exploring the right to a freedom of expression.</p> <p>Identifying the contribution people make to the community and how this is recognised.</p> <p>Developing an understanding of how parliament and Government work.</p> <p>Identifying ways people can bring about change in society.</p>	<p>To know what happens when someone breaks the law.</p> <p>To understand the waste hierarchy.</p> <p>To know that parliament is made up of the House of Commons, the House of Lords and the Monarch.</p> <p>To know that parliament is where MPs debate issues, propose laws, amend existing laws and challenge the government's work.</p> <p>To know that a pressure group is a group of people who feel very strongly about an issue and want to see something change.</p>	<p>Learning about environmental issues relating to food.</p> <p>Discussing how education and other human rights protect us.</p> <p>Identifying causes which are important to us.</p> <p>Discussing how people can influence what happens in parliament.</p> <p>Discussing ways to challenge prejudice and discrimination.</p> <p>Identifying appropriate ways to share views and ideas with others.</p>	<p>To know that education is an important human right.</p> <p>To know that our food choices can affect the environment.</p> <p>To know that the prime minister appoints 'ministers' who have responsibility for different areas, such as healthcare and education.</p> <p>To know that prejudice is making assumptions about someone based on certain information.</p> <p>To know that discrimination is treating someone differently because of certain factors.</p>

Progression of skills and knowledge

Economic wellbeing

Year 1		Year 2		Year 3	
Skills	Knowledge	Skills	Knowledge	Skills	Knowledge
Exploring how money is used by people.	To know that people use money to buy things, including things they need and things they want.	Explaining adult money sources.	To know that many adults earn money by having a job.	Considering pros and cons of payment methods.	To know that we can pay for things using cash, a debit card, a credit card, online banking, and digital wallets.
Discussing how to keep money safe.	To know that coins and notes are types of money and have different values.	Identifying whether something is a want or need.	To know some basic needs for survival, such as food, water and shelter.	Contemplating budgeting benefits.	To know that spending should be based on necessity, importance, and available budget.
Discussing what to do if we find money.	To know that notes are higher in value than coins.	Comparing and contrasting 'wants' and 'needs'.	To know that a bank account is like a special place in a bank that keeps money safe until it is needed.	Planning and calculating within a budget.	To know that budgeting is planning how to spend and save the money that you have available.
Exploring choices people make about money.	To know that it is wrong to steal money.	Identifying the main features of bank account cards.	To know that a bank account card is like a special key that unlocks a bank account to access the money inside.	Discussing attitudes and feelings about money.	To know that money can cause us to have positive and negative feelings.
Developing an understanding of how banks work.	To know that money is valuable and needs to be looked after.	Exploring personal skills and talents.	To know that saving money is when we keep some money and don't spend it straight away.	Developing empathy in financial situations.	To know how we spend money can affect other people and the environment, like buying environmentally friendly products to help protect the planet.
Listening to descriptions of professions.	To know that money should be stored in a safe place to keep it secure and should not be displayed in public places.	Exploring the reasons why people choose certain jobs.	To know that it is important for workplaces to include a variety of people to bring different viewpoints and skills.	Handling negative financial emotions.	To know that different jobs contribute to our society in different ways.
Thinking about questions they would like to ask others about their job.	To know that they should not show or give money to strangers.	Identifying some ways to make an environment inclusive and fair.		Making ethical spending decisions.	To know that stereotypes are oversimplified ideas about what jobs are suitable for people based on gender, race, or other characteristics.
Describing what different people do in their jobs.	To know that they can ask adults they know and trust about money and where to store it safely.	Reflecting on the importance of individuality and diversity.		Assessing impact of spending choices.	To know that it is important to consider what they are good at and enjoy doing when choosing future careers.
	To know that banks are places where we can store our money.			Reflecting on future job based on goals.	To know that they can aim for any career they are interested in and passionate about, regardless of stereotypes or other people's expectations.
	To know that adults have jobs to help others and to earn money.			Challenging and understanding workplace stereotypes.	
	To know that skills are things that we can do well and that everyone has different skills.			Ranking factors influencing job choices.	
	To know that different jobs need different skills.				

Progression of skills and knowledge

Economic wellbeing

Year 4		Year 5		Year 6	
Skills	Knowledge	Skills	Knowledge	Skills	Knowledge
Recognising value for money.	To know that getting value for money involves considering the cost, usefulness and quality of items.	Discussing money risks and management.	To know that being 'in debt' or 'having debt' means that you have spent more money than you have and owe money to others or the bank.	Developing emotional intelligence related to financial matters.	To know that our emotions can be linked to money.
Understanding differing opinions on spending.	To know that purchases can be influenced by needs, wants, peer pressure, and advertising.	Making and prioritising budgets.	To know the difference between money earned (income) and money spent (expenditure).	Applying coping strategies for managing financial emotions.	To know an online scam is when someone uses the internet to trick or deceive people into giving away their money or personal information.
Recognising how to track money spent and saved.	To know that people often earn interest when they keep savings in a bank account.	Discussing money's role in career choices.	To know that borrowing money, like loans or credit, involves the responsibility to pay it back with interest.	Assessing risks in both physical and digital financial environments.	To know that a secure password should have a combination of letters, numbers and special symbols and be kept secret from others.
Understanding reasons for using a bank.	To know that earning interest is when the bank gives you some extra money as a reward for keeping your money with them.	Assessing loan and borrowing responsibilities and suitability.	To know that when a bank or someone lends you money, they may ask you to pay back more than what you borrowed. The extra amount is the interest, which is like a fee for using someone else's money.	Implementing safeguarding measures for money in real-world scenarios.	To know that at secondary school they may have to manage different types of expenses like lunches, travel costs, school materials, and social activities.
Exploring how to safeguard money effectively.	To know that people often change jobs or careers multiple times in their lives.	Implementing money safeguarding strategies.	To know that they should be cautious about sharing financial information.	Adapting to financial changes associated with transitioning to secondary school.	To know that gambling or betting is paying to play a game where you don't know if you will win more money or lose your money.
Identifying influences on job choices.	To know that stereotypes can be made on age, gender, culture, ability and interest and hobbies.	Navigating emotional implications in financial situations.	To know that money can cause a range of emotions, from stress and anxiety when finances are tight, to happiness and excitement when they can afford something they want.	Preparing personally for financial and career changes in secondary school.	To know that gambling can cause people to lose a lot of money and can be very addictive.
Understanding careers can change.		Seeking guidance for financial dilemmas.	To know that their educational choices and personal interests can play a significant role in determining their future career options and opportunities.	Identifying different forms of gambling and understanding their risks.	To know that a career route is the path you take to have a particular career and the qualifications and experience you have to gain along the way.
Challenging workplace stereotypes.		Integrating factors to inform career decisions.	To know that it is important to challenge work-related stereotypes to create a more inclusive and fair work environment.	Applying responsible gambling attitudes in real-world situations.	
				Recognising various workplace environments and their characteristics.	
				Identifying career options in multiple sectors.	
				Evaluating the suitability of different career paths.	
				Aligning career options with personal interests and strengths.	

Year 1		Year 2		Year 3	
Skills	Knowledge	Skills	Knowledge	Skills	Knowledge
Recognising our own strengths.	To understand that changes can be both positive and negative.	Identifying people who can help us when we are worried about changes.	To understand that change is part of life.	Learning strategies to deal with change.	To understand that change often brings about more opportunities and responsibilities.
Year 4		Year 5		Year 6	
Skills	Knowledge	Skills	Knowledge	Skills	Knowledge
Recognising our own achievements. Being able to set goals.	To know that setting goals can help us to achieve what we want.	Recognising own skills and how these can be developed.	To understand the skills needed for roles in school.	Exploring a greater range of strategies to deal with feelings associated with change.	To know that a big change can bring opportunities but also worries.
