The School Council and Governors have worked together to decide on which rewards children at Darnhall will be able to work towards receiving this year.

The rewards will be as follows:

Children also receive positive/ negative Dojos (a points' based system) in their classes. The Dojo winner will receive a prize each week from their class prize basket.

In our classes we have a tracker for behaviour and when a child goes above and beyond within their learning or attitude to learning they reach the rainbow and will have a little note home.

Thank you for your continued support.
