

Home learning Class Dojo

From Monday 30th March, teachers will be setting activities for children to complete at home using our school Class Dojo system.

To access the Class Dojo system, please follow the steps below.

Log on to <https://www.classdojo.com/en-gb/?redirect=true> or download the Class Dojo mobile app.

- 1) On the app/website homepage, click sign up as a parent
- 2) Continue to sign up (ignore the box that says add a code)
- 3) Once signed up you will be able to click '*Search for your child's teacher*'
- 4) Type in the school name, Darnhall Primary School
- 5) Type in your child's class teacher's name followed by your child's name.
- 6) This request to join will be sent to your child's class teacher for approval.

What activities will be set?

Year 1-6

Teachers will upload daily maths and English activities, as well as weekly science and reading tasks, spellings and times table activities. There will also be a weekly challenge for children to complete.

Apple and Reception

Teachers will upload daily activities including maths and communication, language and literacy activities. There will also be a weekly challenge for children to complete.

Once your child has completed an activity, share it on the Class Dojo!
