Weekly Bulletin—14th January 2022

It is the first full week back in school this year and what a great week we have had! After school clubs are already up and running. Thank you once again to the teachers and support staff who offer these after school clubs which are loved by the children.
We would just like to remind you about the importance of children arriving to school on time. Please ensure that your child arrives at school for 8.30am every morning.

Our **Ladybird** nursery children have settled beautifully into the Spring Term. The children are learning the nursery routines and expectations and are already on the way to becoming independent little learners. This week our focus in Ladybirds has been making friends and sharing books with each other.

Attendance

If your child is going to be absent from school (including Nursery Children) Please make sure you

Tel : 01606 593315 option 1

Forest School Sessions

The benefits are limitless and the children love every minute.

The children's motivation to explore and learn new skills outdoors is incredible. They develop social, emotional and physical skills, and their friendships shine through.

Their smiles say it all—they should all be very proud.

Caterpillar nursery children have been using the dinosaurs to make marks in shaving foam. Some children decided to use a car to make marks. One child said, "Look tracks!" and another replied, "Let's go fast!"

Two children watching from the play dough table then went to get cars and began making track marks in their play dough.

Reading competition

Please WhatsApp to 07701 316490 photos of children reading bedtime stories. Add a caption of what the book is and why it was chosen. You could win book tokens to spend on books. Competition ends on 14th February. **Please send in school hours only.**

Happy Reading!

School Lunches

School lunch menus can be found via our website.

Next week will be **Week 3**.
