

Weekly Bulletin—4th March 2022

It is wonderful to be back in school after a restful half term break. There is only five weeks until we finish for Easter and we have a lot to pack in, so please ensure your children are in school for 8.30am every morning, ready to start learning.

World Book Day 📖

It was wonderful to see the children and staff dress up for **World Book day** on Monday. Here are some of our favourite homemade costumes.

Comic relief

This year we will be celebrating **Comic Relief** on **Friday 18th March**. Children can wear red, suggested £1 donation per child. We are having a comedy competition. So practice your jokes and funny sketches ready for the shows!

Many thanks for everyone who dressed '**Bright and Bold**' on Thursday for **Eating Disorders Awareness Week**. We raised **£218.40** for this fabulous cause.

There are many families here at school who have first hand experience of this.

'Bring and Buy' Sale

Year 6 are holding a sale to raise money for their young enterprise scheme. Please bring donations of books and toys into school by Thursday. Children can bring their pocket money into school on Friday 11th March.

There will be a sale until 3:30pm in the KS2 hall.

School Lunches

School lunch menus can be found via our website.

The first week back after half term will be **Week 3**

Attendance

Well done to everyone who arrived ready to start school at 8.30am. Mrs Jen Hughes is our new Attendance Officer. Mrs Katie Harrop is now Admin and Attendance Manager. Both ladies are here to support you.
