Motherwell Community Share Hub

The hub started in 2019 as 'Crewe and Nantwich Uniform Exchange', for the local community, a sustainable service that gave the local community a place to donate their no longer needed school in return they could collect items they require. In October 2020 we launched as the Community Share Hub and the service has continued to expand how we support the local families.

Our vision is that women and girls are able to meet the challenges in their lives and access support, education, and advocacy whenever they need it, in order to fulfil their potential. We want to set our community up for success whilst reducing inequalities; we want all of our community to benefit from this vital service.

Our sustainable, accessible to all scheme, provides a range of different services for ALL of our community with no questions asked.

Our support starts with expectant or new mums, a scheme with the local midwives and health centers providing vouchers to these families, which in return supplies them with a packed Moses hamper with items for mum and baby.

Our Baby Bank provides like-new items to families, car seats, travel systems, prams and lots, lots more. Our hub stocks school uniforms, generic and branded items, stationery, and period poverty kits. And in addition, we have our fancy dress, and a community library rental service.

Whatever you may need, we will try our best to help.

Through our Inspire counselling project we offer a safe space for girls Yr 9 to 18-years in the Crewe and Winsford areas. It is important to remember you are an individual and your feelings, whatever they are, matter, they are valid. At Inspire we aim to help you identify and explore what may be causing your individual concerns regarding aspects of your own mental health relating to stress, whether this is related to school, home life or relationships, anxiety, panic, anger, body image, generally just coping with life or any other area that may be impacting your mental health through one to one counselling in a supportive space without judgement.

Finally, we'd like to say a huge thank you to the local community for their donations for the Ukraine Appeal, we are so pleased to be able to support those in need at such a tragic times.
