

# Home Learning Clarification – Autumn Term 2020

## Years 1-6

All home learning can be found on the Class Dojo. In the interests of staff well-being, because teachers are teaching in school full time now, they will not be able to respond to messages on the Class Dojo like they did when school was closed. They will respond to homework once a week. Any queries should go to [contact@darnhall.cheshire.sch.uk](mailto:contact@darnhall.cheshire.sch.uk) and you will have a response during working hours.

## COVID-19 SAFETY:

We are only using school book bags and clear school bags (provided). These are easier for parents and school to keep clean as they are easily wipeable. Storage of these is manageable in school.

When any book comes back into school it is quarantined for 72 hours before being put back into circulation. Please ensure books that are sent home are handled by as few people as possible.

Reading Diaries – keep these at home for home use only at this stage and we will have a record in school that we use.
