Dear Parents and Carers,

As we are a growing school with increasing pupil numbers, we have decided to separate our Little Ladybird and Apple Nurseries following best practise advice from the Local Authority. Apple Nursery will remain in their current room and our Little Ladybird Nursery will be located in the current community room. This will give the children in both nurseries their own space and room to explore.

The new Little Ladybird Nursery room will be in use from **Monday 7th January**, on return from the Christmas holiday. Drop off and collection for parents of the Little Ladybird children will be via the main entrance, where a member of staff will be there to greet the children.

From January, there will be the opportunity for some children in Apple afternoon Nursery to move to morning sessions should they wish to do so. These places will be allocated on a first come first served basis - please see Miss Williams to arrange this.

If you have any questions regarding our Nurseries, please do not hesitate to contact Miss Williams.

Kind regards

Sarah Tomlinson
