

Darnhall Primary School Sports Funding Impact

2018/2019

Our School Overview:

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none">- Achieved the 'Gold' School Games Mark- We have a wide range of sports coaches into school boosting the children's engagement and enjoyment of sport.- We have entered and competed in over 15 different sporting competitions in the local area – allowing children of all abilities and competences to experience competition and varied sporting events.- We have massively expanded the amount of resources and equipment available for all year groups. Children have been able to access a variety of sports and use new equipment.- We have had visits from Olympians and Female Superleague Footballers – this has inspired many young children to get into sport and become a little more active.- Worked closely with Active Cheshire to ensure that children are active frequently throughout the school day – Active 30/30	<ul style="list-style-type: none">- Improve and ensure that assessment of P.E is more efficient and easier for staff to access.- Ensure that all new staff has access to any CPD they may require, especially the new NQT staff in school.-

Swimming at Darnhall

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving Primary school.	87%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	87%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	87%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/ No

Sports Premium Funding Impact at Darnhall Primary School (2018/2019)

Item	2018/2019 - £18,310	Impact on Children	Impact measured by...
Transport to events	£1200	Allows all children within school to attend sporting competitions. This has opened up the children of the school to be able to attend events and sporting competitions which would have been out of reach and in some cases never experienced.	Attendance figures for competitions and also ensuring that the teacher assessed target children have the option to attend the events.
Equipment and service & maintenance Sports safe (Company)	£700	Safeguards are environment and play equipment for all the children across the school.	Certificate from the Sports Safe Company – ensuring all equipment is safe.

Vale Royal Sports Partnership	£3300	To give a wide variety of sporting events and activities across the whole school.	Measured by: Number of children attending competitions.
School Sports Partnership	£1040	To enable all children to take part in organised sporting competitions and to train PE subject leaders to enable them to guide other staff in the teaching of PE On-going CPD for PE subject leader.	Children questionnaires and focus group to talk and discuss their opinions on sport and their involvement in competition. CPD – growing confidence when teaching PE and bringing new ideas to their planning of PE.
Sports Equipment	£6500 (£3500 KS1 Interactive Board)	Children will have the necessary equipment to ensure all children can be involved and succeed. New equipment will bring different children into different sports, opening up a breadth of sport being taught. Children in the KS1 building will be able to use the interactive board – ensuring interactive songs/dances/yoga can be brought to life.	We will be able to see a variety of sports being taught in school and afterschool within our clubs. We will be able to see all children engaged in physical activity as we have a range and depth of equipment available on both sites of school. Lessons can be more interactive if needing ICT – music for dance, videos for all areas of PE can be shown in the PE environment rather than in class.
Swimming Boosters and Bath Hire for year 6	£600	Children will be able to boost their skill and confidence in basic swimming (Achieving 25m in	Children will be observed and measured against the national

Transport for Swimming Boosters for year 6	£670	Allows all children within school to attend the boosters necessary. Children will be able to boost their skill and confidence in basic swimming (Achieving 25m in distance) As a result the expected standard at the end of primary school was reached by the majority of pupils (87% could swim 25 metres confidently).	Children will be observed and measured against the national expectation of being able swim competently.
Curriculum support for all staff. To develop planning, progress, attainment and assessment.	£1500	ActiveCheshire – the company is to come for staff CPD and work with staff to involve physical activity within Maths. Children will therefore be more active during the school day, therefore achieving the Active 30/30 guidelines. As more children will be active throughout the school day, concentration levels should become more focussed – leading to more productive learning.	Lesson observations – monitor lessons where physical activity is being used. Staff will be using their planning to include activity into maths to begin with and then move onto other areas of the curriculum. Staff should also have a group of target children who they think will benefit from the active sessions and monitor their progress closely.v

Coaches for after school clubs: Spring 2 Summer 1 2 clubs a half term for 5 weeks an hour a session. Total of 4 clubs. (cricket, football, dance and boxercise)	£1400	Children have the opportunity for high quality coaches to bring new sports and activities to children. All year groups from Reception to year 6 will have weekly dance coaching (Disney) to provide confidence and raise attainment in this specific area of P.E.	Children will perform their routines to parents in Summer 1 to show their progress and confidence in dance.
Coaches to support and develop the teacher's confidence in teaching technique and skill. Two teachers to support for 6 weeks in Spring 2 and Summer 1.	£1400	Coaches and experts are to visit the staff and work within both Key Stages to develop confidence and PE teaching skills.	After all coaches and experts have visited school, a staff questionnaire about confidence in PE is to be sent (Summer 2)
