

# Darnhall Primary School Sports funding

Item	2019/2020 £18020	Impact on children	Measured by...
Transport to events	1200	Allows all children within school to attend sporting competitions. This has allowed out children to access sporting facilities such as Sir John Deanes, Moss farm complex and Crewe Alexander FC training ground.	Attendance figures for competitions and also ensuring that the teacher assessed whether target children are being invited to the events.
Equipment and service & maintenance Sports safe (Company)	700	Safeguards are environment and play equipment for all the children across the school	Certificate from the Sports Safe Company - ensuring all equipment is safe.
Vale Royal Sports Partnership	3300	To give a wide variety of sporting events and activities across the whole school.	Measured by: Number of children attending competitions.
School Sports Partnership	750	To enable all children to take part in organised sporting competitions and to train PE subject leaders to enable them to guide other staff in the teaching of PE On-going CPD for PE subject leader.	Children questionnaires and focus group to talk and discuss their opinions on sport and their involvement in competition.  CPD - growing confidence when teaching PE and ringing new ideas to their planning of PE.
Sports equipment	6500 3500 KS1 board	Children will have the necessary equipment to ensure all children can be involved and succeed.  New equipment will bring different children into different sports, opening up a breadth of sport being taught.  Children in the KS1 building will be able to use the interactive board - ensuring interactive songs/dances/yoga can be brought to life.	We will be able to see a variety of sports being taught in school and afterschool within our clubs.  We will be able to see all children engaged in physical activity as we have a range and depth of equipment available on both sites of school.  Lessons can be more interactive if needing ICT - music for dance, videos for all areas of PE can be shown in the PE environment rather than in class.
Swimming boosters for Year 6 Swimming bath hire	600	Children will be able to boost their skill and confidence in basic swimming (Achieving 25m in distance) As a result the expected standard at the end	Children will be observed and measured against the national expectation of being able swim competently.

		of primary school was reached by the majority of pupils (87% could swim 25 metres confidently).	
Transport for Swimming boosters for year 6 summer 18	670	Children will be able to access boosters therefore helping them achieve their swimming targets.	Children will be observed and measured against the national expectation of being able swim competently.
Curriculum support for all staff. To develop planning, progress, attainment and assessment.	1500 Maths and PE planning	Active Cheshire - the company is to come for staff CPD and work with staff to involve physical activity within Maths. Children will therefore be more active during the school day, therefore achieving the Active 30/30 guidelines. As more children will be active throughout the school day, concentration levels should become more focussed - leading to more productive learning.	Lesson observations - monitor lessons where physical activity is being used. Staff will be using their planning to include activity into maths to begin with and then move onto other areas of the curriculum.  Staff should also have a group of target children who they think will benefit from the active sessions and monitor their progress closely.  Use of Staff meetings for feedback.
Coaches for after school clubs Spring 2 Summer 1 2 clubs a half term for 5 weeks an hour a session. Total of 4 clubs. (cricket, athletics, karate and dance)	1400	Children have the opportunity for high quality coaches to bring new sports and activities to children. All year groups from Reception to year 6 will have weekly dance coaching (Disney) to provide confidence and raise attainment in this specific area of P.E. Coaches and experts are to visit the staff and work within both Key Stages to develop confidence and PE teaching skills.	Children will perform their routines to parents in Summer 1 to show their progress and confidence in dance.  After all coaches and experts have visited school, a staff questionnaire about confidence in PE is to be sent (Summer 2)
Coaches to support and develop the teacher's confidence in teaching technique and skill.  2 teachers to support for 6 weeks in Spring 2 and Summer 1.	1400	Coaches such as Play Leader, Dance and Gym teachers to come into school and help teachers deliver an engaging curriculum.	Lesson observations and feedback from class teachers. Mr.Dunning to communicate with coaches.
